

Zoe Saufler

Graphic Designer

I am a creative graphic artist who is passionate about adding value to client projects through my experience in illustration, video, and design.

Experience

MDL Laboratories - Accessioner

June 2020- June 2023

Received and processed medical diagnostic kits for healthcare related testing. Worked as a team member with excellent time management skills.

Terraycle - Graphics Intern

June 2019 - August 2019

Assisted with recording and editing videos with the incorporation of drone footage. Worked on several projects ranging from assembly instructions to icon animations.

ANF Training - Freelance

June 2018

Created two custom wall paintings that focused on health and personal training.

Animal Friends of East Windsor - Freelance

October 2019

Created a trifold brochure that showcases the goals of the pet rescue group.

Education

BFA Design and Animation with a concentration in Graphic and Interactive Design Spring 2020

Monmouth University, West Long Branch, NJ
